

STEINWAY SOCIETY
OF CENTRAL FLORIDA

Dear Friend,

We are pleased to announce the Diva Gala, Portrait of Aretha, starring Cece Teneal. We of the Steinway Society of Central Florida are passionate about providing quality piano lessons, and giving pianos to students that reside in economically disadvantaged areas of our local communities. Our organization was founded in July 2006 and is a 501(c)(3) whose mission is *to stimulate and nourish the musical knowledge and artistic talents of disadvantaged youth and provide an opportunity for young piano students to work toward a higher level of excellence in their school work and personal lives.*

What have we done?

- This year, we will give over 10,000 group piano lessons at Boys & Girls Clubs and other community locations, as well as in the public schools.
- Given more than 300 pianos to deserving students.
- Compiled statistics showing how the program positively impacts the lives of the children we serve.

How can YOU help? Donate an item for the Silent Auction at our Fundraising Event: Diva Gala, September 15, 2024, at the Orlando Museum of Art!

Based on our success, we are the #1 ranked Arts Project (out of 722) funded by the Florida Legislature for 2023-24. The Steinway Society of Central Florida is supported in part by the State of Florida, Department of State, Division of Arts and Culture, and the Florida Council on Arts and Culture; Disney; the National Endowment for the Arts; United Arts of Central Florida, your local agency for the arts; Helpful Hands; and a Mayor's Matching Grant from the City of Orlando.

We'd like to add your name, or the name of your organization or company, to this prestigious list of supporters so you can become a partner in our continuing success of making a difference in the lives of children in our community!

Thank you so much for your consideration.

Musically yours,
